

Hillsong - Sing My Soul

Tom: **B**
Intro: **Abm E B Gb**

Abm **E**
I try to find the perfect song

B **Gb**
For the one I love

Abm **E**
I try to find the words that say

B **Gb**
You mean everything to me

Abm **E**
But a song can't say it all
B **Gb**
And my words alone fall short

Abm **E**
So sing my soul

B **Gb**
Sing my soul
