

Hinário Adventista - 488 ? Novo Canto Há Em Meu Ser

Tom: D

1. Foram mui pesados os meus fardos de aflição,
 Mas supremo alívio em Cristo achou meu coração!

Coro:

Novo canto há em meu ser,
 Des'que Cristo me salvou;
 É um canto de prazer,
 Pois Jesus me resgatou.
 Toda culpa e todo mal
 Em Seu sangue, assim, lavou;

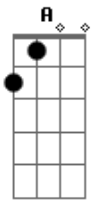

Que prazer, que paz,
 Tanto amor me traz!
 Novo canto há em meu ser!

2. Que transformação em minha vida se operou,
 Quando Cristo achou-me e meus pecados perdoou!

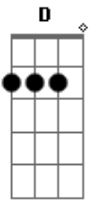

3. Nunca cessarei de amar a Cristo, meu Senhor,
 Pela salvação que me proveu em Seu amor.

4. Muito em breve um canto angelical irei ouvir,
 Sim, ao coro alegre eu hei de a minha voz unir.
