

# Hinário Adventista - 493 ? Minha Mão Em Tua Mão

Tom: A

1. Uma vez pela noite mui triste me achava,  
 Num intenso e terrível negror,  
 E ao sentir-me tão só eu clamei: ó Pai,  
 Não escondas Teu rosto de amor.

Coro:

Minha mão em Tua mão  
 Quero ter ao seguir

Daqui ao distante lar.  
 Vem-me guiar com Teu amor,  
 Sempre junto de Ti, Senhor.

2. Poderei, qual um rei, habitar um palácio,  
 Ter poder e riquezas na mão,  
 Mas mui triste serei se estiver a sós,  
 Em angústia e cruel solidão.
