

Hinário Ccb Nº 5 - Hino 190 Em Inglês

Tom: **A**

(com acordes na forma de **G**)

Capostrate na 2ª casa

1. Let's consecrate ourselves completely to our blessed Lord,
 And doing this, His blessings on our lives will be outpoured
 We need not be discouraged; with our Lord we cannot fail,
 He overcame the world; He'll also make us to prevail.

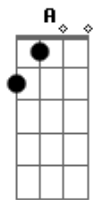

Beloved, never waver;
 Let's march ahead with love
 Obedience to our Saviour

G **D7** **G**
 Leds us unto God above!

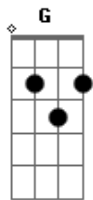

2. As we marching here below, we're strengthened by God's love
 The master gives us holy light and wisdom from above,
 Let's follow in His footsteps as we strive to please our Lord
 One day in heaven we'll receive, from God, the great reward.

3. Let's always be reminded of the counsels of our King
 His promises are true; the saints to glory He will bring,
 With purpose in our hearts, continue walking in this way;
 If we do this, we are assured to see His face one day.
