

Hinário Lutero - Três Reis Magos do Oriente a Sós

tom:

Em

Três reis magos do oriente a sós
 Com presentes viemos nós
 Entre montes, campos, fontes
 De linda estrela após

Linda estrela de fulgente luz
 O teu brilho nos conduz
 Luz celeste, rumo oeste
 Guia-nos ao rei Jesus

Rei, nascido em distante lar
 Ouro trago para te dar
 Rei superno, dom eterno

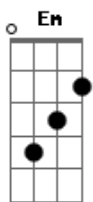

Vem sobre nós reinar

Ofertar-te incenso me apraz
 Pois incenso a Deus só se traz
 Que comprova a prece nova
 Na adoração veraz

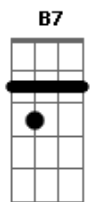

Eis a mirra de agreste odor
 Que na vida exprime o fervor
 Singeleza, luz, beleza
 Exuberante amor

Rei glorioso, bendito Deus
 Sacrifício aos pecados meus
 Aleluia, aleluia!
 Soa na terra e céus
