TAB INTRO:

**C**  
It's been five years since I've seen her face  
**G**  
She's the holy ghost lost without a trace  
**F**  
And now we're left with the "what-if"s  
**C**  
It's been five years since she left for LA  
**G**  
She's an angel with a dirty face  
**F**  
And it seems to me she's a casualty  
**Am** **G**  
Of all the pressure that we put on her  
**F** **G7** **F**  
And now we've lost her for good

**C**  
It's such a shame shame shame

That our homecoming queen  
**G**  
Was a lot like you and a lot like me  
**F**  
And she never walked on water  
**G7** **C** (INTRO)  
Guess no one really saw her

**C**  
She was so adored by everyone  
**G**  
When it came to looks she was next to none  
**F**  
But loved partying and having too much fun  
**C**  
Then she hooked up with the wrong someone  
**G**  
And he promised everything under the sun  
**F**  
And it seems to me she's a casualty  
**Am** **G**  
Of all the pressure that he put on her  
**F** **G7** **F**  
And now we've lost her for good

**C**

It's such a shame shame shame

That our homecoming queen  
**G**  
Was a lot like you and a lot like me  
**F**  
And she never walked on water

Cause no one really saw her  
**C**  
Shame shame shame

That our homecoming queen  
**G**  
Had a lot to prove and so many to please  
**F**  
She's just somebody's daughter  
**G7** **C**  
Just looking for somebody to love her  
**Dm** **C**  
Well I never knew you  
**F**  
Wish I could've saved you  
**G**

From losers that drained you  
**Dm**  
Before you got strung out

With so much potential  
**C**  
**G** **F** **G7** **F**  
How could you let us down

**C**  
It's such a shame shame shame

That our homecoming queen  
**G**  
Was a lot like you and a lot like me  
**F**  
And she never walked on water

Cause no one really saw her  
**C**  
Shame shame shame

That our homecoming queen  
**G**  
Had a lot to prove and so many to please  
**F**  
She's just somebody's daughter  
**G7** **C**  
Just looking for somebody to love her

Its such a shame shame shame...
