

Hinder - The Best is Yet to Come

Tom: Gb

My first make-out session, I learned my first lesson
While trying to get to the next base
When I slipped passed her waist, She smacked my hand away
Then I got a slap in the face

If I could go back in time
Wouldn't change a damn thing in my life
Love the dumb things we do when we're young
But the best is yet to come

My first drinking lesson, I followed all my friends
Stole liquor went down to the lake
Weed mixed with whiskey
Hell I got so dizzy was more than my stomach could take

If I could go back in time
Wouldn't change a damn thing in my life
Love the dumb things we do when we're young
But the best is yet to come

Oh!

Go for it
Run toward it
Dive in head first

Live life with no regret
Well Put your heart out there
Don't be scared you might get hurt
But it's all worth it in the end
Cause the best is yet to come
Ye-ah

My last high school lesson scared of graduation
Tipped a few back and showed up too late
Well my mom got mad hell my dad he just laughed
And said, son I have done the same thing

Go for it
Run toward it
Dive in head first
Live life with no regret

Well Put your heart out there
Don't be scared you might get hurt
But it's all worth it in the end
It'll all work out in the end
Cause the best is yet to come

The best is yet to come
Ye-ah
The best is yet to come
