

Hinder - The Best is Yet to Come

Tom: Gb

My first make-out session, I learned my first lesson
 While trying to get to the next base
 When I slipped passed her waist, She smacked my hand away
 Then I got a slap in the face

If I could go back in time
 Wouldn't change a damn thing in my life
 Love the dumb things we do when we're young
 But the best is yet to come

My first drinking lesson, I followed all my friends
 Stole liquor went down to the lake
 Weed mixed with whiskey
 Hell I got so dizzy was more than my stomach could take

If I could go back in time
 Wouldn't change a damn thing in my life
 Love the dumb things we do when we're young
 But the best is yet to come

Oh!

Go for it
 Run toward it
 Dive in head first

Live life with no regret
 Well Put your heart out there
 Don't be scared you might get hurt
 But it's all worth it in the end
 Cause the best is yet to come
 Ye-ah

My last high school lesson scared of graduation
 Tipped a few back and showed up too late
 Well my mom got mad hell my dad he just laughed
 And said, son I have done the same thing

Go for it
 Run toward it
 Dive in head first
 Live life with no regret

Well Put your heart out there
 Don't be scared you might get hurt
 But it's all worth it in the end
 It'll all work out in the end
 Cause the best is yet to come

The best is yet to come
 Ye-ah
 The best is yet to come
