

# Hinder - The Best is Yet to Come

Tom: Gb

My first make-out session, I learned my first lesson  
 While trying to get to the next base  
 When I slipped passed her waist, She smacked my hand away  
 Then I got a slap in the face

If I could go back in time  
 Wouldn't change a damn thing in my life  
 Love the dumb things we do when we're young  
 But the best is yet to come

My first drinking lesson, I followed all my friends  
 Stole liquor went down to the lake  
 Weed mixed with whiskey  
 Hell I got so dizzy was more than my stomach could take

If I could go back in time  
 Wouldn't change a damn thing in my life  
 Love the dumb things we do when we're young  
 But the best is yet to come

Oh!

Go for it  
 Run toward it  
 Dive in head first

Live life with no regret  
 Well Put your heart out there  
 Don't be scared you might get hurt  
 But it's all worth it in the end  
 Cause the best is yet to come  
 Ye-ah

My last high school lesson scared of graduation  
 Tipped a few back and showed up too late  
 Well my mom got mad hell my dad he just laughed  
 And said, son I have done the same thing

Go for it  
 Run toward it  
 Dive in head first  
 Live life with no regret

Well Put your heart out there  
 Don't be scared you might get hurt  
 But it's all worth it in the end  
 It'll all work out in the end  
 Cause the best is yet to come

The best is yet to come  
 Ye-ah  
 The best is yet to come
