

Hinos Avulsos CCB - Cem Ovelhas

tom:

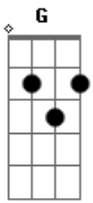

Eram cem ovelhas, juntas no aprisco
 Eram cem ovelhas, que o amante cuidou
 Porém numa tarde, ao contá-las todas
 Lhe faltava uma, lhe faltava uma e triste chorou
 As noventa e nove deixou no aprisco
 E pelas montanhas, a buscá-la foi

A encontrou gemendo, tremendo de frio
 Curou suas feridas, pois logo em seus ombros
 E ao redil voltou
 Essa mesma historia, volta a repetir-se
 Pois muitas ovelhas, perdidas estão
 Mas ainda hoje, o Pastor Amado
 Chora tuas feridas, chora tuas feridas, e quer te salvar
