

Hinos Avulsos CCB - Deus Vem Me Ajudar

Tom: G

(intro) C Cm G C G

Se eu pudesse demonstrar tudo o que eu sinto
 São minhas lágrimas caindo nos meus olhos
 Pessoas que eu amei e considereei
 Me julgaram e me apontaram fazendo eu chorar
 Pessoas que eu amei e considereei

Me julgaram e me apontaram fazendo eu chorar
 Deus vem me ajudar estou cansado de caminhar
 Oh Deus, eu sei que isto vai passar
 E o gigante que se levantou
 Já caiu pelo poder da oração
 Já caiu pelo poder da nossa comunhão
 Já caiu..
