

# Hinos da Bahia - Hino da Cidade de Saúde

tom: Gm

Saúde, Saúde, Saúde

Cidade tão feliz

De um povo que tem sua história

Guardada à luz da memória

Verde constante, clima sadio

Lindas cachoeiras, serras e montes

João Guaramacho e Garibão buscavam

O ouro e a emancipação

Oh, terra santa! És tu, Saúde, querida

Teu solo só produz riquezas

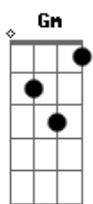

Abençoado pela natureza

Senhora Saúde, é a fé que nos protege

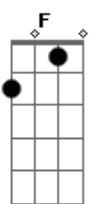

Unidos na esperança de uma gente

Que acredita na vida, numa vida contente
