Tom: A

E7 Bm7 E7 A7 Bb
 Mais per_to quero estar
 E Dbm7 D7 A
 Meu Deus de ti!
 E7 Bm7 E7 A7 Bb
 In_da que seja a dor
 E B7 E7 A
 Que me una a ti,
 E7
 Sempre hei de suplicar
 A7 A
 Mais perto quero estar
 E7 Bm7 E7 A7 Bb
 Mais per_to quero estar
 E B7 E7 A
 Meu Deus de ti!

Aqui na solidão
 Paz e descanso
 A mim teus braços dão
 Nas trevas vou sonhar
 Mais perto quero estar,
 Mais perto quero estar, meu Deus de ti!

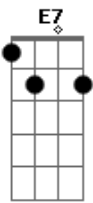

Minh'alma cantará a ti Senhor!
 E em Betel alçará padrão de
 Amor,
 Eu sempre hei de rogar
 Mais perto quero estar,
 Mais perto quero estar, meu Deus de ti!
 E quando Cristo,
 Enfim, me vier chamar,
 Nos céus, com serafins irei
 Morar
 Então me alegrarei
 Perto de ti, meu Rei, meu Rei,
 Meu Deus de ti

Andando triste
