

Hinos de Cidades - Hino de Cruzeiro - SP

tom:

D

Nascestes no Vale, ao pé da colina Em

Bela e grandiosa cidade menina

A Mantiqueira, majestosa a coroar

E o lendário Paraíba

Orgulhoso a te banhar

Tens lindos traçados, escolas, igrejas

Comércio e Indústria

E tudo que almejas

Tens lindos jardins

Com garotas e flores

Acordes

Que formam buquê

Onde nascem amores

Salve Cruzeiro!

Nome divino da minha Cidade

Teu nome ostenta

O Emblema Sagrado

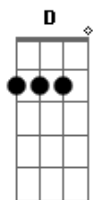

Da Cristandade

Salve Cruzeiro!

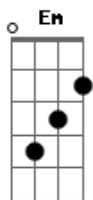

Terra Bendita em que nasci

És de São Paulo, Filha Gentil

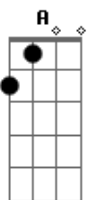

Pedacinho querido do meu Brasil!
