

Hinos - Boca da Mata - AL

tom: D

No céu azul da liberdade surgiu
 Mais uma estrela boca da mata
 Independente ó terra altaneira
 Numa manhã de um novo dia
 Pulsaram os corações
 Que vendo livre a terra amada
 Vibraram de emoção

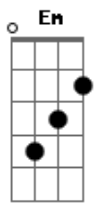

Nesse dia abençoado
 Ficou gravado em nossa história
 Símbolo de um passado
 Cheio de lutas e glórias

O seu contorno é brasileiro
 De terras e belezas mil
 Terra progresso
 Abençoada área do meu Brasil
