

Hinos - Hino de Santo Antônio

tom:

E

De Francisco o burel envergando

Santo Antônio ao mundo assombrou

De Jesus o poder dilatando

No Brasil o seu nome ficou

E em Cachoeira, no solo Paulista

Que o varão Silva Caldas fundou

Sua igreja se ostenta imprevista

Na colina que Deus lhe ofertou

Salve, ó Santo Padroeiro

Nossa fé e fervor conservai

Salve ó doce medianeiro, Cachoeira abençoai

Ó Glorioso Santo Antônio

Nossas vidas do mal resguardai

Ó Excelso Santo Antônio

A Jesus nossas almas levai

No altar, do painel dominando

Da cidade que além se aglomera

Santo Antonio é guia velando

Por seu povo que o ama e venera

E do nicho que o mármo ilumina

Tendo ao colo o infante Jesus Santo

Antônio com a graça divina

Nos ensina o caminho da cruz

Salve, ó Santo Padroeiro

Nossa fé e fervor conservai

Salve ó doce medianeiro, Cachoeira abençoai

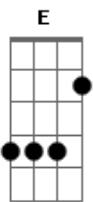

Ó Glorioso Santo Antônio

Nossas vidas do mal resguardai

Ó Excelso Santo Antônio

A Jesus nossas almas levai
