

# Hinos - Hino de São João Dos Patos

Tom: A

São joão dos patos

Oh! terra santa abençoada por deus

São tantos os fatos

Que servem de orgulho aos filhos

teus

II:

São joão querida

De duas lagoas tiveste o nome de batismo

De glória e vida

Ganhaste e crescestes com brilhantismo

Estrilho:

Salve oh! patos,

De água doce e cristalina

E quem bebe se fascina

E te leva no coração

Cidade amada

Terra boa e hospitaleira

És gentil, és prazenteira

És namorada do sertão

III:

Aos lavradores,

Que aqui chegaram e plantaram uma semente

Vivas e louvores,

Pois dentre as serras despontastes

resplendente.

IV:

E nós patoenses

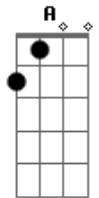

Te idolatramos entre tantas mil

E bem maranhense

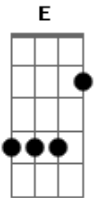

És um pontinho deste imenso

brasil.
