

# Hinos - Hino de São João Dos Patos

Tom: A

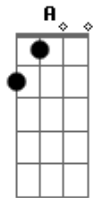

São joão dos patos  
 Oh! terra santa abençoada por deus  
 São tantos os fatos  
 Que servem de orgulho aos filhos  
 teus  
 II:  
 São joão querida  
 De duas lagoas tiveste o nome de batismo  
 De glória e vida  
 Ganhaste e crescestes com brilhantismo

Estrilho:

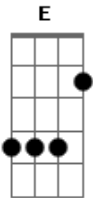

Salve oh! patos,  
 De água doce e cristalina  
 E quem bebe se fascina  
 E te leva no coração

Cidade amada  
 Terra boa e hospitaleira  
 És gentil, és prazenteira  
 És namorada do sertão  
 III:  
 Aos lavradores,  
 Que aqui chegaram e plantaram uma semente  
 Vivas e louvores,  
 Pois dentre as serras despontastes  
 resplendente.  
 IV:  
 E nós patoenses  
 Te idolatramos entre tantas mil  
 E bem maranhense  
 És um pontinho deste imenso  
 brasil.
