

# Hole - Beautiful Son

Tom: **D**

You look good in my dress  
I'll get your friends to clean the mess  
You look good in my clothes  
I can feel you where the doctor goes  
My beautiful son  
I know

He had ribbons in his hair  
And lipstick was everywhere  
You look good in my dress  
My beautiful son  
I know  
You're burried like me  
You're burried  
I know  
My beautiful son
