

Hole - Boys On The Radio

Tom: C

^F Do what you want ^C
^F Cause I'll do anything and ^C
^F I'll take the blame ^{C G}

^F What's mine is yours ^C
^F You can't have all of it ^C
^F And I'll learn to beg ^{C G}

^F All the boys on the radio ^{C G}
^F They crash and burn ^C
^C They fold and fade so slow ^G
^F In your endless summer night ^C
^G I'll be on the other side
^F When you're beautiful and dying ^C
^C All the world that you've denied
^F When the water is too deep ^C
^G You can close your eyes and really sleep tonight
^G Tonight

^F I want what's yours ^C
^F Oh I'd give anything ^C
^F And I'll take the pain ^{C G}

^F I wait alone ^C
^F For what will never come ^C
^F ^{C G}

And I'll throw it all away

(CHORUS)

^{Am} If I let you in under my skin ^F
^C And risen every angel slain ^G

^{Am} He said he'd never, ever, ever go ^F
^C And heavens, heavens, heavens know ^G
^{Am} And never, ever, ever go away ^{F C}
^G Baby, I've gone away

^F In your endless summer night... ^C

^F I know what you are running to ^C

^G Please come back
^F Oh, come back again

^F I hear the truth
^C It's coming from you

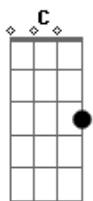

^G Oh, come back
^G Won't come back again

(DEDILHADO)

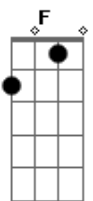

In your endless summer night
 I'll be on the other side
 When the water is too deep
 I will ease your suffering
 When the glitter fades in morning
 Turn away and you will find my empty eyes
 Your beauty blinds

^F I know that you are rotten to the core ^{C G}
^F I know that you don't love me anymore ^{C G}
^F I know that you are rotten to the core ^{C G}
