

Hole - Boys On The Radio

Tom: C

F C
 Do what you want
 F C
 Cause I'll do anything and
 F C G
 I'll take the blame

 F C
 What's mine is yours
 F C
 You can't have all of it
 F C G
 And I'll learn to beg

 F C G
 All the boys on the radio
 F
 They crash and burn
 C G
 They fold and fade so slow
 F C
 In your endless summer night
 G
 I'll be on the other side
 F C
 When you're beautiful and dying
 C
 All the world that you've denied
 F C
 When the water is too deep
 G F C
 You can close your eyes and really sleep tonight
 G
 Tonight

 F C
 I want what's yours
 F C
 Oh I'd give anything
 F C G
 And I'll take the pain

 F C
 I wait alone
 F C
 For what will never come
 F C G

And I'll throw it all away

(CHORUS)

Am F
 If I let you in under my skin
 C G
 And risen every angel slain

 Am F
 He said he'd never, ever, ever go
 C G
 And heavens, heavens, heavens know
 Am F C
 And never, ever, ever go away
 G
 Baby, I've gone away

In your endless summer night...

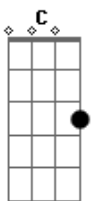

F C
 I know what you are running to
 G
 Please come back
 Oh, come back again
 F
 I hear the truth
 C
 It's coming from you
 G
 Oh, come back
 Won't come back again

(DEDILHADO)

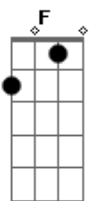

In your endless summer night
 I'll be on the other side
 When the water is too deep
 I will ease your suffering
 When the glitter fades in morning
 Turn away and you will find my empty eyes
 Your beauty blinds

F C G
 I know that you are rotten to the core
 F C G
 I know that you don't love me anymore
 F C G
 I know that you are rotten to the core
