Hey, so glad you could make it

D A

Yeah, now you've really made it

Hey, so glad you can make it now

Yeah, now you've really made it

Hey, there's only us left now

Oh look at my face

My name is might have been

My name is never was

My name's forgotten

Hey, so glad you could make it

Yeah, now you've really made it

Hey, there's only us left now

When I wake up in my makeup

It's too early for that dress

Wilted and faded somewhere in Hollywood

I'm glad I came here with your pound of flesh

No second billing cause you're a star now

You want a part of me

Well I'm not selling cheap

No, I'm not selling cheap

Oh Cinderella, they aren't sluts like you

Beautiful garbage, beautiful dresses

Can you stand up or will you just fall down?

You better watch out

For what you wish for

It better be worth it

So much to die for

Hey, so glad you could make it

Yeah, now you've really made it

Hey, there's only us left now

When I wake up in my makeup

Have you ever felt so used up as this?

It's all so sugarless Hooker/waitress

Model,actress,oh just go nameless

Honeysuckle, She's full of poison

She obliterated everything she kissed

Now she's fading somewhere in Hollywood

I'm glad I came here with your pound of flesh

You want a part of me

Well I'm not selling cheap

No, I'm not selling cheap

Oh Cinderella, they aren't sluts like you

Beautiful garbage, beautiful dresses

Can you stand up or will you just fall down?

You better watch out

For what you wish for

It better be worth it

So much to die for

Hey, so glad you could make it

Yeah, now you've really made it

Hey, there's only us left now

When I wake up in my makeup

Have you ever felt so used up as this?

It's all so sugarless Hooker/waitress

Model,actress,oh just go nameless

Honeysuckle, She's full of poison

She obliterated everything she kissed

Now she's fading somewhere in Hollywood

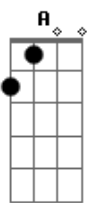

I'm glad I came here with your pound of flesh

You want a part of me

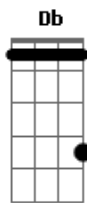

Well I'm not selling cheap

No, I'm not selling cheap
