Hole - Heaven Tonight

Tom: C

```
   C                          F
Here comes the sun in the form of a girl
         G                    C  F   G
She's the finest sweetest thing in the world
            C  F     G
Take you to heaven tonight
C                        F
I feel the horses coming galloping
        G
In the summer rain
            C  F     G
Take you to heaven tonight
       C F    G                D
'Cause I love you for what you are

D              C    A
I'll gallop to you, tonight, tonight
      C                    D
We'll ride, I'll give it to you
               C  F     G
We're going to heaven tonight
C  F  G
Tonight

C                       F
Out on the winding road I couldn't wait
         G
Oh baby, I was afraid
            C  F   G
Headed for heaven tonight
            C  F   G
I'll go to heaven tonight
C                       F
I feel the horses coming galloping
       G
I will never grow old
            C  F   G
I'll go to heaven tonight
        C F    G                D
Because I love you for what you are

D             C    A
I'll gallop to you tonight, tonight
      C                      D
We'll ride, I'll bow down to you
               C  F   G
We're going to heaven tonight
C  F  G
```

```
Tonight

C                      F      G
I can't believe that I can be happy
C
Someone will come again
  F        G
I can't be happy
C
Oh, stop your crying
    F      G
You can be happy
C                      F        G
Go to heaven when you make me happy

C                      F
Here comes the kiss that I never had
   G
Nothing feels like this
            C  F   G
Headed for heaven tonight
C F    G
I love you
C                         F
Here comes a storm in the form of a girl
            G                    C  F   G
She's the finest sweetest thing in the world
            C    F  C                    D
I'll go to heaven tonight for what you are
D              C   A
I'll gallop to you tonight, tonight
      C                      D
We'll ride, I'll bow down to you
                    C  F G
We'll go to heaven tonight
C  F  G
Tonight
C  F  G
Tonight
C  F  G
Tonight
        C  F G
Take it tonight
        C  F G
Take it tonight
        C  F G
Take it tonight
 C  F  G
Tonight
C  F  G
Tonight
```
