Lyrics:
Put me up above the boy
The one I love I should destroy
My sweet tooth has burned a hole
Forget about it all

He hit so hard
I saw stars
He hit so hard
I saw God

He?s cold give him a candycoat
He can?t swim but he can float

One by one they all fall down
I look at him and drown

He hit so hard
I saw stars
He hit so hard
I saw God

I saw God
Just one big shiny flash
God
You're secret's safe tonight
God
So much, so much to lose
God
So glad that we're alive

He?s so candy my downfall
Melts in my mouth, 'til he?s nothing at all
This keeps me, I can?t sleep
He rages to be true

He hit so hard
I saw stars
He hit so hard
I saw God

I saw God
Just one big shiny flash
God
Oh set me straight tonight
God
Look at the pretty lights
God

Oh, man, he hit so hard
I saw stars
He hit so hard
I saw God
I saw God
