

# Hole - Old Age (unplugged)

Tom: C

Rest in peace and me and pieces  
Rest in peace and me and pieces

(E,C,D)

And I will wait your highness  
I'm so high I cannot talk  
And I will awake you cripple,  
you take away my time,  
My peace, my dignity no babies sleep  
when your near me  
Your unborn love and fetal dress  
hard bitter candy, fated caress

E C  
What was she for Halloween  
E C  
The ugliest girl you've ever seen  
E G C  
Someday she will die alone  
E C  
Someday she won't have to fake it  
E C  
Living, will itself seems sacred  
G A C  
Someday she will die alone

E C E  
He seems to me to know  
C E  
All the glitter is sour  
E C E  
All the lies in his place  
C

Jesus saves  
(A,E)  
Old age  
Old age  
Old age

E C  
It's okay to kill your idols  
E C

Just pretend you have no rivals  
G A C  
They ll think that she's fiendless

E C  
Spits at mirrors, it's not an issue  
E C  
Just remove the hateful tissue  
G A C  
They all think that we were friendless

CHORUS

B  
And I beg him  
C G  
I said pretty please  
B  
Just make me pure again  
C G F  
Just make me clean

E C  
What was she for Halloween  
E C  
The ugliest girl you've ever seen  
G A C  
Someday she will die alone  
E C  
What was she for Valentines  
E C  
And old forgotten rapes of mine  
G A C  
Someday she will die alone

Chorus  
E A E A  
Rest in peace and me and pieces  
Rest in peace and me and pieces  
Peace and pieces  
(I'm sorry... so sorry... I'm sorry)  
He said she said rest in peaces and  
He said she said rest in pieces
