

# Hole - Sassy

Tom: **A**

the whole song is this:

**EEEE A EEEE A EEEE A EEEE A**  
(it's quite repetitive)

We're rolling, you guys  
Why?  
Why?  
Why?  
Why?  
Why?  
Why am I here?  
Why am I there?

I don't care  
CARE!  
Oh, why I'm old  
Sit back down  
Sit back down  
Sit back down  
'CAUSE I SAID SO!  
You're so stupid  
I would have done anything for you  
Honey, your reputation is shit in this town  
You're so stupid  
I would have done anything for you  
Honey, your reputation is shit in this town  
Oh, why?  
She's sassy  
She's walking down

## Acordes
