

Hole - Sassy

Tom: **A**

the whole song is this:

EEEE A EEEE A EEEE A EEEE A
(it's quite repetitive)

We're rolling, you guys
Why?
Why?
Why?
Why?
Why?
Why am I here?
Why am I there?

I don't care
CARE!
Oh, why I'm old
Sit back down
Sit back down
Sit back down
'CAUSE I SAID SO!
You're so stupid
I would have done anything for you
Honey, your reputation is shit in this town
You're so stupid
I would have done anything for you
Honey, your reputation is shit in this town
Oh, why?
She's sassy
She's walking down

Acordes
