Hole - She Walks On Me Intro

Tom: E

This is the very beginning of the 's all I have tabbed for now.I hope you
like it.I think it's pretty acurate you just need a distortion pedal for it to sound
exactly the same.It's my first tab so be open minded please.

During each 9 bend down and release

Dont bend down and release these 9's

Bend down and release the last 15

Acordes
