

Hole - Sunset Marquis

Tom: C

(Dm C G)

Follow me back to the sunset marquis
 Lock ourselves into the room
 Gamble it all and lose it on me
 Until the sorry end
 Until it happens again

(Dm F C G)

And I can tell that we are never gonna be friends
 And I can tell that your lost
 And I can tell that this is gonna have a bad end
 Oh Baby you were worth the cost

(Dm Am C G)

Till I'm black and blue
 So cynical Oh
 How'd you get so blind
 I've walked through scorn and ridicule
 How did i not the see the signs
 Oh descend descend and
 Go you must all walk your walk of shame
 But i will have my revenge.

(Dm C G)

Face down in front of the sunset marquis
 You were the closest to God
 We can do all the things that no one believes
 People like us do
 They haven't got a clue...

(Dm F C G)

And I can tell this is going down in flames
 You better burn me all the way
 I hope you took some...some pleasure from my pain
 I set the fires if you just pray

(Dm Am C G)

And disabled by how cheap and down(?)
 How fast motile your soul
 That's the stupidest thing I have heard now
 How long can you go?
 And I
 And I cripple any longer, no
 I can dance again
 But I will, have my revenge...
 Oh I will have my revenge!

(Dm C G)

Lock ourselves in at the Sunset marquis
 Set the room on fire
 Play happy neighbors from bad families
 Oh baby you could move
 You could light up the room
 But the lights gone obscene
 You sure looked real to me.

(Dm F C G)

And i can tell that you have come to burn me down
 And i am at your feet in ashes
 And this will end in tears with all lost and none found
 It's just a story you can cash in

(Dm C G)

And no one knows where we go
 And i know that you don't care
 But you are the overseer
 Of the depths of my despair
 And its glorious and dead
 And i know that you aren't there
 You're the un...unfortunate
 You're the depth of my despair.
