Dm Am F F  
Valerie's dancing, on the roof above my bed you know  
Dm Am F F  
for all of the world below to see  
Dm Am F F  
Valerie's leaving, in a car outside my house you know  
Dm Am F F  
Such a shame she's not with me and all the pretty things,  
F F  
and all the love my heart can bring,  
F F F  
I would give my whole life to her.

{Riff B X 4}  
Valerie loves me!

Dm Am F F  
Valerie's riding, in a car around my neighborhood.  
Dm Am F F  
She's thinking of all the men she'll meet.  
Dm Am F F  
I could only hope for a stolen moment of her thoughts  
Dm Am F F  
Between the walk to the club and all the drinks she'll have in  
a crowded  
F F F  
room where everybody leaves too soon, I only hope that she  
remembers me..

and her hair has turned so grey.

But she's so happy for the memories she has you know.

And she could have had anything she ever wanted, but she can't  
have me.
