

# Hole - You've got no right

Tom: **G**

Bass/Intro:

Verse:  
NO GUITAR

Pre-Chorus:

**C C C C / D D D D**

Chorus:

Verse:  
I would never bother you  
I would never promise to  
I would never bother you  
I would never promise to  
If I say that word again  
I will move away from it  
You won't be afraid of fear  
You won't be afraid of here  
You won't be afraid of fear  
You won't be afraid of here

Pre-Chorus:

I am walking in the piss  
Always knew it'd come to this  
Things have never been so well  
I have never felt so well

Chorus:  
Hey Yeah  
You know you're right

Verse:  
It's so warm now come inside  
I no longer have to hide  
Let's talk about someone else  
She just wants to love herself  
She moves away from you  
She just wants to love herself  
I won't move away from here  
You won't be afraid of fear  
I won't move away from here  
You won't be afraid of fear

Pre-Chorus:  
I am walking in the piss  
Always knew it'd come to this  
Things have never been so well  
I have never been so well

Chorus: Hey Yeah  
You know you're right  
You don't know right  
You know you're right

## Acordes
