Chorus:

Verse:
I would never bother you
I would never promise to
I would never bother you
I would never promise to
If I say that word again
I will move away from it
You won't be afraid of fear
You won't be afraid of here
You won't be afraid of fear
You won't be afraid of here

Pre-Chorus:

Acordes

I am walking in the piss
Always knew it'd come to this
Things have never been so well
I have never felt so well

Chorus:
Hey Yeah
You know you're right

Verse:
It's so warm now come inside
I no longer have to hide
Let's talk about someone else
She just wants to love herself
She moves away from you
She just wants to love herself
I won't move away from here
You won't be afraid of fear
I won't move away from here
You won't be afraid of fear

Pre-Chorus:
I am walking in the piss
Always knew it'd come to this
Things have never been so well
I have never been so well

Chorus: Hey Yeah
You know you're right
You don't know right
You know you're right
