

Hollow Coves - Beauty In The Light

tom:
 C (forma dos acordes no tom de G)
 Capostrate na 5ª casa

[Primeira Parte]

C G D
 We saw the colours shining from that little treehouse window
 C D
 The morning light would rise above the golden hills
 and meadows
 C G D C
 And all the birds sang songs around the place we called home
 G D
 We never thought the wind would blow cold

(C G D C G D)

C G D
 The summer sun would shine upon that house among the treetops
 C G D
 We felt the warmth within the wind and never thought the
 leaves would drop

C G D
 When they fell you felt the cold and closed the doors to hide
 your

C
 Heart
 G D C
 You know it can't keep beating in the dark

[Refrão]

G D C
 Lift up your head, break down the walls
 G D C
 Don't stop pushing till they fall
 G D C
 At first the sun might hurt your eyes
 G D Em D C
 But soon you'll see the beauty in the light

[Segunda Parte]

C G D
 Remember how the winter ends, ice turns to flowing water
 C G D

And all the leaves come out again long nights start getting shorter
 C G D
 You see there's always some way back don't close the doors to
 hide

C
 Your heart
 G D C
 You know it can't keep beating in the dark

[Refrão]

G D C
 Lift up your head, break down the walls
 G D C
 Don't stop pushing till they fall
 G D C
 At first the sun might hurt your eyes
 G D Em D C
 But soon you'll see the beauty in the light

[Ponte]

C G D
 It shines upon the hills and valleys
 C G D
 Illuminates a path through the pine trees
 C G D C D
 Reflecting all the light that's free to find in this life

[Refrão]

G D C
 Lift up your head, break down the walls
