

Hollyn - Hey Mama

Tom: B

(com acordes na forma de Capotraste na 4ª casa G)

C G C G
Hey mama, it's been the world since we talked

Bm7
But all I really need right now is a voice to pull me out of the dark

C G C G
Hey mama I know we are worlds apart

C G C C G
But is there anything you can say to mend this broken heart

Am7 Bm7
Cuz I'm feelin all alone

Em7
My heart is longing to be home

C
Hoping I can catch you on the phone

Hey mama, so many questions on my mind
And if I could go back, oh,

Yeah, I'd hold the hand of time

Hey mama, I never thought that I would lose my way

But all I really want right now is to hear what you would say

A C Bm7
You tell me, baby hold on after the dark comes a dawn

A Em
And there's a new sun risen, a new sun risen

D D
No matter when or where, God would always here your prayer

C
Yeah, he will always be, he will always be right there

Am7 Bm7
Cuz I'm feeling all alone

Em7
My heart is longing to be home

Am7
Hoping to catch you on the phone

Am7 Bm7 Em7
Now I'm feeling down and out losing myself in this big town

C
And I could use some you right now

Hey mama, it's been the world since we've talked,
But all I really need right now is a voice to pull me out of the dark

Hey mama, I know we're worlds apart

But you've always given me a place to open up my heart

Open up my heart, to open up my heart
