[Primeira Parte]

As I walk through the valley of the shadow of death
 I wear my crown of thorns and pull the knife out my chest
 I keep searching for something that I never seem to find
 But maybe I won't, because I left it all behind
 Now I'm stuck with this, and that'll never change
 Always a part of me, until the very last day
 Where to go from here? What road to travel on?
 I spent my whole life choosing, and I always chose wrong
 Will I try to have the will to be alive?
 Will I try because I've never seen the light?
 Blow it to the ground and it's now you see
 You spent your whole life taking the best of me

[Refrão]

Where'd you go? Where's your home?
 How'd you end up all alone?
 Can you hear me now?
 There's no light, there's no sound
 Hard to breathe, when you're underground
 Can you hear me now?
 Hear me now

[Segunda Parte]

How long can I keep pretending to be?
 That all the stars in the sky could mean something to me
 Heaven will open up if I live on my knees
 A man of many words, but a man of few deeds

Walking these streets, so absent of hope
 A pillow of concrete, a man with no home
 Lend him a hand, then we're walking the way
 Leave the virtue of pity, but we live with the shame
 So scared to dream in a world with no sunlight
 When you wake up, you know it's darker than last night
 Quickly we forget, sacrifice gone by
 Born to walk away, been walking my whole life

[Refrão]

Where'd you go? Where's your home?
 How'd you end up all alone?
 Can you hear me now?
 There's no light, there's no sound
 Hard to breathe, when you're underground
 Can you hear me now?
 Hear me now

[Ponte]

Look into my eyes and I see
 What do I see? Nothing at all (nothing at all)
 Take another look around me
 What do I see? Nothing at all (nothing at all)
 (Em C G D)

[Refrão]

Where'd you go? Where's your home?
 How'd you end up all alone?
 Can you hear me now?
 There's no light, there's no sound
 Hard to breathe, when you're underground
 Can you hear me now?
 Hear me now (hear me now)
 Can you hear me, hear me now?
