[Primeira Parte]

**Em**  
As I walk through the valley of the shadow of death  
**C**  
I wear my crown of thorns and pull the knife out my chest  
**G**  
I keep searching for something that I never seem to find  
**D**  
But maybe I won't, because I left it all behind  
**Em**  
Now I'm stuck with this, and that'll never change  
**C**  
Always a part of me, until the very last day  
**G**  
Where to go from here? What road to travel on?  
**D**  
I spent my whole life choosing, and I always chose wrong  
**Em**  
Will I try to have the will to be alive?  
**C**  
Will I try because I've never seen the light?  
**G**  
Blow it to the ground and it's now you see  
**D**  
You spent your whole life taking the best of me

[Refrão]

**Em**  
Where'd you go? Where's your home?  
**C**  
How'd you end up all alone?  
**G** **D**  
Can you hear me now?  
**Em**  
There's no light, there's no sound  
**C**  
Hard to breathe, when you're underground  
**G** **D**  
Can you hear me now?  
**Em** **D**  
Hear me now

[Segunda Parte]

**Em**  
How long can I keep pretending to be?  
**C**  
That all the stars in the sky could mean something to me  
**G**  
Heaven will open up if I live on my knees  
**D**  
A man of many words, but a man of few deeds  
**Em**

Walking these streets, so absent of hope  
**C**  
A pillow of concrete, a man with no home  
**G**  
Lend him a hand, then we're walking the way  
**D**  
Leave the virtue of pity, but we live with the shame  
**Em**  
So scared to dream in a world with no sunlight  
**C**  
When you wake up, you know it's darker than last night  
**G**  
Quickly we forget, sacrifice gone by  
**D**  
Born to walk away, been walking my whole life

[Refrão]

**Em**  
Where'd you go? Where's your home?  
**C**  
How'd you end up all alone?  
**G** **D**  
Can you hear me now?  
**Em**  
There's no light, there's no sound  
**C**  
Hard to breathe, when you're underground  
**G** **D**  
Can you hear me now?  
**Am**  
Hear me now

[Ponte]

**C**  
Look into my eyes and I see  
**G** **D**  
What do I see? Nothing at all (nothing at all)  
**Am** **C**  
Take another look around me  
**G** **D**  
What do I see? Nothing at all (nothing at all)  
( **Em** **C** **G** **D** )
