Em
 In the heart of the night
 Banging my mind on that pipe A G
 Whispering words in my head Em
 Do I talk to the dead A G

Em
 From bottles, needles and lines
 Trying enlightenment through the night A G
 Search for meaning, poor soul Em
 Don't you know that ain't rock'n'roll

A
 Oh no
 That ain't good music G
 Oh no A
 You're not creative G
 Oh no A
 You're so disturbed G
 Oh no A

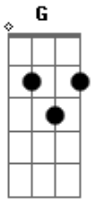

You're just a devil Em
 (A G A G)

Em
 False claim made me lame
 In filthy lies you abide G A
 Immature, insecure Em
 True, you got in my mind G A

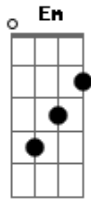

Em
 Not for long, hear this song
 Found a place where to belong A G
 Even though I was so wasted Em
 By a miracle I got saved

A
 Oh, yeah
 Do you hear my music G
 Oh, yeah A
 Do you feel the hatred G
 Oh, yeah A
 You sure you can stand it? G
 Oh, yeah A
 Have you seen the devil
