

Hoobastank - All About You

Tom: **D**

(intro com baixo e guitarra)

(riff 1)

(riff 1 - durante o verso 1)

(verso 1)

Spill out my heart, but you don't hear a word
'cause you're busy thinking 'bout how long 'til it's your turn.

So you can go on and on about yourself
Go on and on about yourself
And my heart can go back on the shelf
Go on and on about yourself!

(riff 2)

(riff 2 é usado como uma 'ponte' ligando o Verso 1 ao Refrão)

(refrão)

But it's not all about you
All about you
The more you speak, the less I care about you, you, you, you
It's not all about you
The world turns without you

The more you speak, the less I care about you, you, you

(verso 2 - guitarra usando Riff 1 com um 'bend' na última nota)

Whatever I do, you've already done
Only you've done it better and way before anyone.

'Cause you think that it's some game to win
You think that it's some game to win
Accomplishments and places been
You think that it's some game to win

(refrão)

You go on and on and on about yourself
You go on and on and on about yourself

The list of who you know

The places that you've been

Well can't you see nobody cares about you

It's not all about you
The more you speak, the less I care about you, you, you, you
It's not all about you
The world turns without you
The more you speak, the less I care about you, you, you, you
Care about you

(riff 2)
