I will dedicate
And sacrifice my every...
Thing for just a second's worth
Of how my story's ending
And I wish I could know
If the directions that I take
And all the choices that I make
Won't end up all for nothing

Acordes

(Refrão)

Show me what it's for Make me understand it I've been crawling in the dark Looking for the answer Is there something more Than what I've been handed? I've been crawling in the dark Looking for the answer

(Verso)
Help me carry on
Assure me it's okay to
Use my heart and not my eyes
To navigate the darkness
Will the ending be
Ever coming suddenly?
Will I ever get to see
The ending to my story?
