

# Hoobastank - Tears Of Yesterday

Tom: F

I write your name in my breath on the window  
 Sit and watch as it fades away  
 The painful memories of the tears of yesterday  
 The sky is gold and grey  
 Just like it was when we both went our separate ways  
 And the rain won't wash away  
 All the dirt of my mistakes  
 So I write your name in my breath on the window  
 Sit and watch as it fades away  
 The painful memories of the tears of yesterday  
 Defening sound of rain  
 It's not enough to drown my thoughts So ease the pain  
 So instead I'll soak it in  
 While I stare outside again  
 So I write your name in my breath on the window  
 Sit and watch as it fades away  
 The painful memories of the tears of yesterday

I try so hard but I can't seem to let go  
 I lost so much when you walked away  
 The painful memories of the tears of yesterday

Last Bridge:

The sun just won't seem to come out  
 Now that you've walked away  
 Now I cannot escape  
 I cannot escape  
 The rain  
 The rain  
 So I write your name in my breath on the window  
 Sit and watch as it fades away  
 The painful memories of the tears of yesterday  
 I try so hard but I can't seem to let go  
 I lost so much when you walked away  
 The painful memories of the tears of yesterday  
 Yesterday
