

# Hooverphonic - Sad Song

Tom: **C**

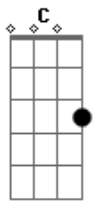

**Am** **Amsus2**  
Now it's time to move to the next level  
**Am** **Amsus2**  
Sore wet eyes that look at the devil  
**Am** **Am** **Am** **Amsus2**  
Tell me please that it's time to leave  
**Am** **Amsus2**  
On the train I lost my intelligence  
**Am** **Amsus2**  
Found my love with good intentions  
**Am** **Am** **Am** **Amsus2**  
But it's still time to leave

(chorus)  
**C** **Em** **Am** **Am**  
I recorded the sound of your heart  
**C** **Em** **Am**  
I recorded the sound of your eyes  
**C** **Em** **Am** **Am**  
And I converted them into this sad song  
**C** **Em** **Am**

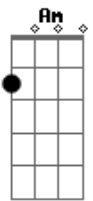

That modulated these mysterious lights

**Am** **Amsus2**  
Synchronized love expectations  
**Am** **Amsus2**  
pure delight this love creations  
**Am** **Am** **Am** **Amsus2**

**Am** **Amsus2**  
Ain't it fun, our funfare behaviour?  
**Am** **Amsus2**  
All this real and fake filthy flavours

And I converted them into this sad song  
**C** **Em** **Am**  
That modulated these mysterious lights
