

Hooverphonic - Sad Song

Tom: C

Am Amsus2
 Now it's time to move to the next level
 Am Amsus2
 Sore wet eyes that look at the devil
 Am Am Am Amsus2
 Tell me please that it's time to leave
 Am Amsus2
 On the train I lost my intelligence
 Am Amsus2
 Found my love with good intentions
 Am Am Am Amsus2
 But it's still time to leave

(chorus)

C Em Am Am
 I recorded the sound of your heart
 C Em Am
 I recorded the sound of your eyes
 C Em Am Am
 And I converted them into this sad song
 C Em Am

That modulated these mysterious lights

Am Amsus2
 Synchronized love expectations
 Am Amsus2
 pure delight this love creations
 Am Am Am Amsus2
 tell me please that it's time to leave
 Am Amsus2
 Ain't it fun, our funfare behaviour?
 Am Amsus2
 All this real and fake filthy flavours
 Am Am Am Amsus2
 Tell me please that it's time to leave
 (chorus)
 C Em Am Am
 I recorded the sound of your heart
 C Em Am
 I recorded the sound of your eyes
 C Em Am Am
 And I converted them into this sad song
 C Em Am
 That modulated these mysterious lights
