

Hope Tala - Summer In Paris (Interlude)

tom:
 G
 Life's supposed to be good in the summer
 G D G Am
 Baby, you will never find another who
 D
 Knows the sun like I do
 G
 I gave you all my loving
 Am
 Maybe it was for nothing
 G D
 'Cause who knows how you feel now
 The apple's fallen off the bough
 G
 And the tree's alone
 I gave you all my loving baby
 Yellow clouds I'm going crazy
 Am
 Lazy summer thoughts are hazy
 Maybe it was a dream
 G D
 Variation on a theme
 G
 Too familiar it seems
 And the skyline stole
 Am
 Your Parisian soul
