

# Hóspedes da Rua Rosa - Bicho Papão

tom:  
 Am  
 Toda cama eu deito em minha noite  
 Debaixo do meu cobertor  
 Am E E7  
 Toda noite deito em minha cama  
 Am E E7  
 Tentando enganar minha dor  
 F7M  
 Tonto eu tento olhar pro teto num futuro incerto  
 E  
 Que findou mas não recomeçou  
 F7M  
 E mais uma noite densa, madrugada intensa  
 E  
 Chega o medo que me alugou  
 Dm Am Am  
 Meus pés sentem frio, então  
 Dm Am B7  
 Eu me protejo em vão

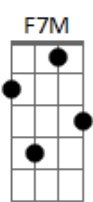

Do bicho papão  
 F E  
 Que mexe com minha cabeça antes de dormir  
 F E  
 Deixando meus olhos insones querendo partir  
 F G A  
 O espelho do quarto parou de me refletir  
 G A  
 Me refletir  
 Dm Am Bm  
 Meus pés sentem frio, então  
 Dm Am B7  
 Eu me protejo em vão

E  
 Do bicho papão

 Que mexe com minha cabeça antes de dormir  
 F E  
 Deixando meus olhos insones querendo partir
