

Hot Water Music - Alright For Now

Tom: G
Intro: Am Bm G Bm Am Bm G

I was back and forth
From armed to desperate
Lost to fully aware
How was your weekend?
You get your time alone?
It used to sound so peaceful
Now it's panic-ridden
How was your weekend?
I'm alright for now, but I haven't been
I got lots of shit behind me
Alright for now
(A G A Bm Em G)
I'll talk while I can
But it hasn't been that easy
It's simple talk at best

Like "how was your weekend?"
I'm alright for now, but I haven't been
I got lots of shit behind me
Alright for now
(D C G)
(F G Am)
When I went away
I made no decisions
I couldn't trust them to me
I was too weak then
I'm alright for now, but I haven't been
I got lots of shit behind me
Alright for now, but I haven't been
I'm alright for now, but I haven't been
I got lots of shit behind me
Alright for now
