

## **Hot Water Music - Old Rules**

```
Tom: E

E
5:30 rings
C
Pots over gas flames
G
D
Still in a haze
E
Not walking dead
C
But alive and i'm fed
G
Still hungry for more
E
C
'Cause before i wake
G
D
Again, again, again, again, again, again
E
C
I toss and i turn again and again
E
With something calling me
C
Maybe a conscience
```

## **Acordes**

```
Maybe that dream

Maybe that dream

Mell beyond the folklore

Well beyond the folklore

That failed to be

D

Something real

D

Something real

D

Something real solid Or still

D

To ground me with instinct to feel before

D

I think and think before i know

D

To know. Know before i act, act before i grow

In control, with fear ail hold

Cutting me loose from old rules
```
