

Hot Water Music - Wamkelekile

Tom: A

Deep dark down on the foreshore
 That questions what we live for
 A sign reads like a tombstone blues
 Colours like a rainbow
 All fall back in a dark hole
 And a question it comes burning through

 Wamkele wamkile, Wamkelekile
 Wamkele wamkile, for sure
 Wamkele wamkile, Wamkelekile
 Wamkele wamkile, for sure

 Time is like an ocean
 Singular but broken
 And we are wooden pegs on a board
 Sudden like a rainstorm
 A voice it pours from heaven
 Is this your final Welcome Home?

Wamkele wamkile, Wamkelekile
 Wamkele wamkile, for sure
 Wamkele wamkile, Wamkelekile
 Wamkele wamkile, for sure

 Freedom's like a notion
 Tied to a tree in the ocean
 And I'm like a sailor on a ship with no home
 I'm left with one question burning my direction
 If I had a choice which way would I go?
 Wamkele wamkile, Wamkelekile
 Wamkele wamkile, for sure
 Wamkele wamkile, Wamkelekile
 Wamkele wamkile, for sure

 Wamkele wamkile, Wamkelekile
 Wamkele wamkile, for sure
 Wamkele wamkile, Wamkelekile
 Wamkele wamkile, for sure
