Capostraste na 1º casa
Intro: D G
The red sandstone it fell
Right smack on top, of Sedona Grabell
John Ford said won't you hop on in
In a stagecoach baby, gonna take you for a spin, oh oh, woah,
Hey, little Hollywood, you're
Gone but you're not forgot
You got the cash but your credit's no good
You flipped the script and you shot the plot
I remember, I remember when your neon used to
Burn so bright and pink
           Α7
A Saturday night kind of pink
The black list and its hosts
Came down so swift, it drove them to the coast
We're going to California, but were all out of work
I guess that's better than a grave and a hearse, oh oh, woah,
```
