tom:

Intro: G D G C  
D C D G

I heard it on the radio  
C D G  
Somebody reaching out tonight

Another soul that never sleeps  
C D G  
Until the shadows touch the morning lights

I know you well  
G  
I've been holding on

Weak and strong  
G C  
But right or wrong

I had to call your number  
C  
I had to know for sure, wow  
C D  
Do you really wanna fall in love  
G Am G C  
Take the chance again

Do you feel inside  
D  
The fire never dies  
G Am G C  
And it burns till the end

Do you really wanna give enough  
G  
Talk all night  
Am G C  
Make love in the rain

If you really do

All I ask of you  
D  
Remember my name
