**A**  
**E** Constant everyday

**Gbm** Every breath I breathe an invitation  
**E**  
**A** To believe you are creating something good  
**B**  
**Gbm** Though this season doesn't tell my story  
**E**  
**A**  
**B** I know you'll move mountains for me  
**B**  
**E** You're just that good

[Refrão]

**E** **A** **Dbm**  
 So I'll give thanks to God

**B**  
 When I don't have enough

**E** **A**  
 Cause He's more than enough

**Dbm** **B**  
 And He knows what I need

**E** **A**  
 In the silence i choose to believe

**E** **A**  
 You're working in the waiting

**E** **A**  
 Though the future isn't clear to me

**E** **A**  
 I trust you anyway

**Dbm** **A**  
 Why do I worry

**Dbm** **B**  
 Why do I worry

**E** **A**  
 Why do I worry

**Dbm** **B**  
 God knows what I need
